

Hey there! I'm Akshit 🙋

🚀 About Me

Hi! I'm Akshit — a current **MCA (Master of Computer Applications) student**.
I'm always exploring new tools and technologies to grow.
Currently, I'm focused on building full-stack web apps and backend services with efficient and scalable architecture.

🌟 Fun Fact

"First, solve the problem. Then, write the code."
Let's build something awesome together! 💡 🚀
Every Bug is a lason 🐛

💧 Happy Coding! 🚀
